Subject: Approval of Zebron 386/9000 Polyurethane and Low Temperature Epoxy Primer (ZLTE)

Dear Gregory Hex :

This is in reference to your application in which you requested the City of San Diego (City) to evaluate the Zebron 386/9000 Polyurethane and Low Temperature Epoxy Primer (ZLTE)

for approval and addition to the City's Water Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Company Name 386/9000 Polyurethane and Low Temperature Epoxy Primer (ZLTE).

This product will be included in the next Water Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of Zebron 386/9000 Polyurethane and Low Temperature Epoxy Primer (ZLTE)
is contingent on the following conditions:

The Zebron 386/9000 Polyurethane and Low Temperature Epoxy Primer (ZLTE)

- 1) shall be manufactured at 1141 N.Crosby Way, Unit H-J Anaheim, CA 92806
- 2) Zebron shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.
- 3) Zebron shall provide application/installation procedures for the products to ensure they meet the current Standard Specifications for Public Works Construction (Greenbook) and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Zebron or any of Zebron Corporation's authorized suppliers.

- 4) Any unilateral action by of Zebron without seeking prior consultation and agreement from the City regarding the above mentioned conditions and limitations shall constitute a breach of agreement, resulting in the removal of Zebron products from the City's Approved Materials List.

Congratulations on your success in being included on the City's Water Approved Materials List.

Sincerely,

Anh Nguyen, P.E.
